AGREEMENT

A priest of the parish community of St. Anthony of Padua or a ministerial partner (“the officiant”) will meet with the individuals to be married (“the couple”) to prepare for, plan, and officiate the couple’s wedding at the date and time specified above. In the event that the officiant is for any reason unable to officiate the wedding, another priest, deacon or ministerial partner will officiate for no additional cost beyond what is specified in this agreement. The couple agrees that the wedding will start at the time as scheduled on this agreement. If after 15 minutes within the start time of this agreement the wedding does not begin, the officiant may shorten or eliminate any part of the ceremony or depart without officiating in order to meet other ministerial obligations. Any change in start time must be approved, in advance, by the officiant.

Effective for any weddings booked after August 20, 2020, the usual stipend for the service is \$700. If the officiant is required to travel a significant distance or on a holiday, an additional offering may be stipulated. If there are co-officiants (such as a rabbi or another minister or religion), the stipend of the officiant’s services shall either be the higher of either the normal stipend of the officiant, or the stipend as stipulated by the co-officiant. A non-refundable deposit of \$350 shall be collected to reserve the date in the officiant’s calendar. The balance due of \$350 should be presented to the officiant along with the civil wedding license immediately upon arrival at the venue. The wedding may not commence until these are both received. An additional fee will be required if requesting the use of the parish church for your ceremony location.

The officiant’s presence at rehearsals is generally unnecessary unless there is a nuptial mass in the church. Your wedding coordinator will manage your rehearsal. In the event that the priest is needed for a rehearsal, it will need to be coordinated at a mutually convenient day and time and an offering will be required equal to that of another wedding, as other couples will not be able to have their weddings at that day and time.
